

Seekers...

...naturally connect with God through questioning and have a healthy skepticism that makes it easy for them to explore different opinions. They do not feel that faith needs to be categorized or institutionalized in order to be real.

Inconsistencies and mystery are not daunting to them, but they sometimes find it hard to recognize God in ready-made answers to questions of faith.

They seek to relate to God through exploration and journey and find spiritual meaning through asking questions and testing normally accepted assumptions about God and faith.

As a seeker looking for truth, the journey will be as important as the destination.

The journey can and should be shared with others of like mind. If any one of the above applies to you, join us on Thursday mornings at 10:00 am at Panera in the Lawrence Park Shopping Center in Broomall. Together we will share and study Scripture to mine its depths for the answers to our questions.

In Christian fellowship, we will share our fears and assurances, our sorrows and joys, as we gather the Life Lessons to be learned, lifting one another up and strengthening ourselves in the journey of living.

The journey begins...
